Felburn Nature and
Wildlife Collection
Program free and open
to the public

As Operations Manager at Pearson's Falls and Glen, Andy Ruff has been surprised, challenged, intrigued, educated, and entertained. He has rarely been at a loss for words, but had to pause to think of what to say to a talking bird. Hear of these and other unexpected visitors. Jim Welch, former TV anchor and host of NatureScene, will also help you better understand the treasure that Andy is guarding.
